SCOUT PROGRAMS

Group programs and rates are available to groups of 20 or more with 2-week advance reservation. Adult chaperones and children pay all program fees.

Caves ROCK

Journey through sinkholes, caves, and the interesting nature of Wisconsin's karst landscape. Includes authentic fossil collection

Rocks ROCK

Take a journey through the science of rocks and minerals - the most basic materials of planet Earth! Includes a collection of rocks, minerals, and gems.

Diggings to Discovery

Explore our cultural history from the time of the lead miners up to the cave's discovery!

Geology

Examine the stories that rocks can tell us about the distant past by studying fossils! Includes rock or fossil collection.

Nature

Naturalist provides experiences in the outdoors to develop an appreciation for the natural world! Includes a rock or fossil collection.

Mound Bound Orienteering

Introduces student teams to the basics of navigation and using a compass to find their way!

Youth Overnight Experiences

Customize an overnight experience for your group by adding any of the above program themes to your itinerary.

April 1-November 15 – Space for camping on the grounds in the great outdoors is provided along with the traditional outdoor learning!

November 16-March 31 – Space for indoor sleeping is provided in our beautiful Visitor Center building!
