## EDUCATIONAL PROGRAMS

Group programs and rates are available to groups of 20 or more with 2-week advance reservation. Adult chaperones and children pay all program fees.

### SpeleoQUEST

Discover Wisconsin's unique driftless area and karst landscape and learn all about cave science!

### Diggings to Discovery

Explore our cultural history from the time of the lead miners up to the cave's discovery!

### RocksROCK

Take a journey through the science of rocks and minerals - the most basic materials of planet Earth!

### PaleoTALES

Examine the stories that ancient life can tell us about the distant past by studying fossils!

### GeoJourney

A deeper look at rocks and fossils and their orderly development throughout geologic time!

### Mound Bound Orienteering

Introduces student teams to the basics of navigation and using a compass to find their way!

### Youth Overnight Experiences

Customize an overnight experience for your group by adding any of the above program themes to your itinerary.

April 1-November 15 – Space for camping on the grounds in the great outdoors is provided along with the traditional outdoor learning!

November 16-March 31 – Space for indoor sleeping is provided in our beautiful Visitor Center building!
