

Pet Policy

Pets are NOT allowed in the cave, trails, or in buildings.

Service animals by law are permitted in all areas of our property. Emotional Support, Therapy, Comfort or Companion Animals are not service animals.

We realize that some of our guests visit when they are already traveling with their pets. Pets are permitted in the upper main parking area only and must be supervised and leashed – or otherwise contained – at all times. Pet owners are responsible for proper removal and disposal of their pets' waste. Waste should be collected and contained in a pet waste bag and disposed of in trash receptacles.

If you cannot leave your pet at home and are traveling with a pet on a hot day, we have two outdoor kennels that you may use rather than leave your pet in a hot car. These kennels are free to use and are along a spur of the state bike trail, which is a great place to walk your leashed pet. Bring a photo ID to our ticket desk to get the key for the kennel. Pets left in kennels are not attended and the kennels are not recommended for dogs who dig or are anxious when left unattended. In these cases, we recommend having one person stay with your pet while some of your party tours the cave and then switching so everyone can enjoy the experience and your pet is not left alone. Cave of the Mounds is not responsible for decisions made in regards to a pet's health and safety.

Pets must be under owner control at all times. Pet owners are not allowed to let their pets interfere in any manner with other people's enjoyment of the park.

Service Animals CALL A MANAGER

Service animals are permitted in all areas of our property. Pets are not allowed. Emotional Support, Therapy, Comfort or Companion Animals are not service animals.

Please refer to our "Pet Policy" above for all non-service animals.
